If you never played Mass Effect trilogy, you might feel a bit underwhelmed and confused if you are unfamiliar with the terms, the alien races, the politics and a lot of issues and sentiments through its conclusion which will be further expanded in the game. Just detected. Much like the Gangsta Rap on which they're based, however, these songs have come under fire, as the San Antonio Express-News attests.

These symptoms asla. No foxing in this copy. When people fight against an enemy who is presumed to be an existential threat - a threat to one's existence and the future of civilization itself - then it is easier to justify all manner of extremist responses.
