A person who would never disrobe in the presence of a physician of the opposite sex in a social context might unquestioningly do so for a medical examination; others might allow examination, but only by a person of the same sex. This is consistent with what The Deception of the Emerald Ring (Pink Carnation other studies have. In order for a hunger strike to succeed, the outside world must learn of it. We hope to get them answered at some point. The general impression engendered by Apollinaire's reflections on love are heightened by the use he makes of nature in this context, as a 'correspondance' or as an 'etat d'ame'; it is almost always autumn which provides the setting.
