If you've wondered why there's suddenly so many Prohibition-themed bars popping up near you or why there's so many baffling variations on a French 75, look no further than this book. Instead of using technology and funds provided for it from the rich world, for a great leap forward, they use it on expensive modifications to the bullock cart, conniving at poverty and indulging in sentimentality imported from the West, with its romantic doubts about industrialism. One All Medicines are Poison! has a medical exemption because his organs all shut down and he almost died immediately after his school vaccinations; sadly, it takes almost dying to qualify

for a medical exemption these days...
