Brazilian cinema dates back to the birth of the medium in the late 19th century and has gained a new level of international acclaim since the s. Perhaps people wore gown-like garments, like which can be seen across the more traditional scenes of the Middle East. One of my goals in writing this series was to draw attention to just how big players are today are compared to, say, 50 years ago, then try to realistically project how that steady growth could produce absolute giants in the future.
