On Our Way Home

Now Scipio, at the end of the second book, says: As among the different sounds which proceed from lyres, flutes, and the human voice, there must be maintained a certain harmony which a cultivated ear cannot endure to hear disturbed or jarring, but which may be elicited in full and absolute concord by the modulation even of voices very unlike one another; so, where reason is allowed to modulate the diverse elements of the state, there is obtained a perfect concord from the upper, lower, and middle classes as from various sounds; and what musicians call harmony in singing, is concord in matters of state, which is the strictest bond and best security of any republic, and which by no ingenuity can be retained where justice has become extinct.
