Beethoven, however, overcomes this limitation by treating the fundamental note B flat-the note to which one of his two timpani has been tuned from the outset-as its enharmonic aural equivalent, A sharp. This book, in fact, consists of two quite separate themes, or rather, it is about two ideologies that the author Paul Cudenec seeks to promote and unite, namely anarchism and mysticism. His views represented one of two polar opposites which would be in struggle against each other for many years to come.
